Vaccine to Combat Malaria

353. SHRI S. AUSTIN: Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

(a) whether a vaccine has been developed to combat Malaria;

(b) if so, the details thereof;

(c) whether this vaccine has been approved by WHO after sufficient trials; and

(d) if so, the details thereof and if not, the reasons therefor?

THE MINISTER OF HEALTH AND FAMILY WELFARE AND MINISTER OF WATER RESOURCES (SHRI A.R. ANTULAY): (a) and (b) A Malaria Vaccine was developed in Colombia but has not yet been found to be effective in immunising human beings against Malaria; initial trials have however shown encouraging results.

(c) to (d) WHO has not yet approved any Malaria Vaccine including the one developed in Colombia.

Entry of Taliban-Type Ultras in Kashmir

354. SHRI VIJAY KUMAR MALHOTRA: Will the PRIME MINISTER be pleased to state:

(a) whether Government's attention has been drawn to the report appearing in the Hindustan Times dated the 3rd February, 1996 under the caption "Taliban-type ultras may enter Kashmir" and if so, the factual position in this regard; and

(b) what action has been taken to prevent the entry of these ultras to the Kashmir territory?

THE MINISTER OF STATE IN THE PRIME MINISTER'S OFFICE (SHRI BHUVNESH CHATURVEDI): (a) Government is aware of the report appearing in 'The Hindustan Times' of 3rd February, 1996 under the caption "Taliban-type ultras may enter Kashmir". There is no confirmed indication of Taliban-like-force in Pakistan/POK being ready for induction into J&K, although the Pakistan ISI, having lost faith in Kashmiri militants, is reportedly relying on foreign mercenaries increasingly for sustaining the on-going militancy in J&K. It is, however pertinent that Taliban in Afganistn is linked to the JUUI of Pakistan which also supports the Harkat-ul-Ansar in J&K.

(b) In order to check infiltration into Jammu & Kashmir, a close vigil is being kept by the Army, BSF and J&K Police along the border/LOC and in the depth areas. Erection of border fencing along the international border in the Jammu sector has been taken up. Search and cordon operations are being carried out by the security forces to flush out militants at the border as well as in the interior areas.

Indo-Nepal Bilateral Agreement on Water Sharing

355. SHRI RAMDAS AGARWAL: Will the Minister of WATER RESOURCES be pleased to state:

(a) whether the Nepalese Prime Minister met the Indian Prime Minister recently in New Delhi and held discussion on the sharing of water from the river bordering the two countries as reported in the Hindustan Times, dated 13th February, 1996; and

(b) if so, the details of the aforesaid discussion and the outcome thereof;

THE MINISTER OF STATE IN THE MINISTRY OF WATER RESOURCES (SHRI P.V. RANGAYYA NAIDU): (a) Yes, Sir.

(b) The two Prime Ministers held discussions on various issues concerning Indo-Nepal co-operation including that in Water Resources Development. They signed a Treaty on "The Integrated Development of the Mahakali River including Sarda Barrage/Tanakpur Barrage and Pancheshwar Project". Important aspects of the Treaty are given below.

The Treaty provides for:

(1) Existing arrangements for supply of water to Nepal from Sarda Barrage to be continued;

(2) From the Tanakpur Barrage Water supply of 1000 cusecs in the wet Season and 300 cusecs in the dry season as against 150 cusecs under the earlier agreement with Nepal;

(3) Supply of electric power of 70 Million KWh to Nepal from Tanakpur Power Station against the earlier agreement to supply 20 Million KWh, free of cost;

(4) Implementing the Pancheshwar Multi-purpose Project on the Mahakali river in accordance with the detailed project reprot being jointly prepared by both the Parties, as an integrated project with power stations of equal capacity on each side of the river. The total energy generated shall be shared equally between the parties. The DPR shall be finalised within six months from the date of entry into force of the Treaty; agreement for financing and implementation including establishment of the Pancheshwar Development Authority shall be negotiated and finalised within one year from the finalisation of the DPR and the project shall be aimed to be completed within eight years from the date of the
